

# What will I gain by being part of this scheme?

It will give you the skills and experience to help you find a permanent job and

- provide a minimum 25 hours per week, six-month placement for those 16–24 year olds currently claiming Universal Credit
- Pay at least the UK minimum wage
- support you to look for long-term work
- support with CV and interview preparation
- training to develop your skills, such as team work, organisation and communications as part of your role
